ABOUT CAS

CAS is a free and bespoke accommodation service designed specifically to save you, the contractor, both time and money, by sourcing, negotiating, booking and managing your accommodation whilst on assignment.

With our consultative approach and quick turnaround time, we ensure your accommodation requirements are met, for the right price.

We aim to maximise your take-home pay by minimising your accommodation costs.

WHY USE US

- Our service is completely FREE OF CHARGE* and there is no obligation!
- We provide free advice! Contact us for realistic accommodation costs in a given area. Our cost savings can make a role more economically viable. We are here to help!
- We search our database for B&Bs, hotels, serviced apartments and rentals nationwide and throughout Europe, saving you time and effort;
- We find you the best accommodation for the best price, ruthlessly negotiating with each accommodation provider, saving you your hard earned cash
- We negotiate a cancellation policy that suits you and not the accommodation provider, ensuring you are not penalised for last minute changes to your diary;
- Cash flow is important to us all - benefit from discounted negotiated rates without the need to pay upfront
- We make the reservation on your behalf and manage your reservations throughout your contract. Think of us as an accommodation PA!
